

I strongly oppose the recent decision for Sinclair Broadcast inc to use their media power to air an upcoming Anti-Kerry piece. It's the partisan nature of the piece that alarms me. We need representation of multiple viewpoints in the media- including our public media and this outrageous move really alarms me.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

The FCC MUST STEP IN! Thank YOU!
